

March 2024

Dear Merchant;

The Deer Park Arts Council (DPAC) is a vibrant, non-profit 501(c)(3) (Tax ID # 47-1566799) organization that supports the needs of the performing and visual arts programs for the Deer Park School District while advocating and enhancing community involvement and support.

We offer student scholarships to students pursuing a career in the performing and visual arts as well as providing financial support to purchase materials and equipment, supporting school events, theater productions, trips, and educational opportunities not available through school funding.

We are looking for support from merchants and recognized businesses to donate towards our "Cheers to the Arts" Basket Raffle Event on May 17th, 2024:

- We are requesting donations of any items, including gift certificates, gift baskets, general merchandise, or services that we can use to auction off. You can mail these items to me at the below address, or (if local) we can arrange pick up.
- If you'd like to support our cause further, we will also accept monetary donations for sponsorship of our Grand Prize (TV, Gaming System, Sound Bar, or Other High Value Product). Your business name and contact information will be listed alongside the grand prize. Sponsors will be listed by level: Platinum: \$100+, Gold \$50, Silver \$25, Bronze >\$25.

Your donation would help make our event more successful in raising funds for DPAC to support the arts. As a thank you for your donation you will be listed as a donor at the event and on the website.

Thank you for your support,

Grace Heyne, President
